

ADHD DISABILITY VERIFICATION FORM

To be completed by school personnel (school psychologist/special educator)

Eligibility requirements for support services for students with Attention Deficit/Hyperactivity Disorder:

1. Student provides verification of diagnosis and severity.
2. Student is assessed as having a functional limitation in the educational setting.

To ensure the provisions of reasonable and appropriate services for students with Attention Deficit/Hyperactivity Disorder at Northern Vermont University, students needing such services are required to provide current and comprehensive documentation of their disability. This documentation should include information on the diagnosis, describe the attention difficulties and the functional limitations in an educational setting, indicate the severity and longevity of the condition, and offer recommendations for treatment. To facilitate the gathering of such critical information, we ask that you respond to the following questions.
