2019 Spring Course Bulletin

Northern Vermont  
UNIVERSITY | ONLINE

Spring Registration Begins November 12, 2018.

**PAYMENT:** Details are available on the Vermont State Colleges System Portal login page at <https://portal.vsc.edu>. Under “Web Services” at right, select “Student Billing/Financials,” then “Make a Payment/View Your Bill,” to locate your bill. A \$100 late fee will be applied if your bill is not paid by January 31, 2019.

**FINANCIAL AID:** Make sure your file is complete with Student Financial Services by viewing your Financial Aid Document Status on Web Services. All correspondence will be sent to your NVU email account. If you need assistance, please contact Student Financial Services at 802-635-1671.

**TECHNOLOGY REQUIREMENTS:** NVU Online courses require students to use the Moodle learning management system on a weekly basis throughout the term. In order to ensure that students can access their course content in Moodle without problems, students should comply with the technical requirements found at [http://northernvermont.edu/sites/default/files/techrequirements\\_nvonline.pdf](http://northernvermont.edu/sites/default/files/techrequirements_nvonline.pdf). Failure to

meet these standards means that NVU technical support may not be able to resolve technical issues a student is having.

**TEXTBOOKS:** Texts are available through the NVU Bookstore. Call 802-635-2503 to obtain prices and order books, or order online at <http://NorthernVermont.edu/Bookstore>.

**WAITLIST ENROLLMENT:** The capacity of online courses is 22 students, and up to four additional waitlisted students can be added to an online course. Waitlisted students will be added to courses based on their program code. Additional sections of a course will be added as appropriate to ensure that students have access to the courses they need. Please sign up for the waitlist only if you are certain you will take the course if added.

**NVU EMAIL:** Your NVU email account is the official email address that faculty and other College personnel will use to contact you electronically. You are responsible for knowing info sent to your NVU email account.

### IMPORTANT INFORMATION ABOUT ONLINE COURSES:

**All students are registered in online courses using their NVU email address. If you need assistance logging into your NVU email account, contact the Help Desk at <http://helpdesk.vsc.edu> or 802-635-1415.**

For many students an online course is a new experience. Although flexible, the workload is often greater than courses in the classroom. To get started in your online course, log onto the NVU portal at <https://portal.vsc.edu>, with your user name and password. Click on the name of your online course, and you will enter the Moodle course site.

### QUANTITATIVE REASONING ASSESSMENT EXAM FOR NVU ONLINE STUDENTS | SPRING 2019

All students, except those who have an Associate degree, must take and pass the Quantitative Reasoning Assessment (QRA) or MAT 1080 Intro to Quantitative Reasoning. The QRA, MAT 1080, or an Associate degree is a pre-requisite for taking a quantitatively enriched (QE) course. All students must take a QE course to meet the Graduation Standard in Quantitative Reasoning.

If you need to take the exam, please contact your advisor and ask to be registered to take GRS-2000.

The QRA will appear on your portal page in your online course section. You can take the exam wherever you have access to the Internet and whenever you like between the first and last days of the semester. There is no cost to take this assessment. Two attempts are allowed.

### CHALLENGE EXAM FOR ENG 1220 RHETORICAL EXPRESSION

(EDP-3999-NJ01K CHALLENGE EXAM – RHET. EXPR.) 2018-2019

To be eligible for graduation, all students of Northern Vermont University must demonstrate college-level skill in writing. To meet this purpose, all NVU Online students must pass a course, Rhetorical Expression (ENG 1220), or the Challenge Exam for the course (EDP-3999-NJ01K). Those who pass the course or the Challenge Exam satisfy the university's general education requirement and graduation standard in writing.

A student may attempt the Challenge Exam only once. Students who are unsuccessful with the Challenge Exam must take and pass ENG 1220.

Also, students who want to take the Challenge Exam should do so early in their programs. A student may not take the Challenge Exam in her/his final semester. If the requirement is left to the final semester, a student must take ENG 1220.

To take the exam, students must register for EDP 3999-NJ01K Challenge Exam – Rhet. Expr. and pay a non-refundable fee of \$100.

### INFORMATION-LITERACY GRADUATION STANDARD

In order to meet the information-literacy graduation standard, all students must complete the online tutorial (TILT) and earn a score of at least 80% on all quizzes. To take the tutorial, register for GRS-3000-NO01.

\*Indicates registration for non-NVU Online students begins December 15.
