2020 Fall Course Bulletin

FALL 2020

Registration Information for NVU Online Courses

Fall Registration Begins April 13, 2020.

PAYMENT: Details are available on the Vermont State Colleges System Portal login page at <https://portal.vsc.edu>. Under “Web Services” at right, select “Student Billing/Financials,” then “Make a Payment/View Your Bill,” to locate your bill. A \$100 late fee will be applied if your bill is not paid by September 6.

FINANCIAL AID: Make sure your file is complete with Student Administrative Services by viewing your Financial Aid Document Status on Web Services. All correspondence will be sent to your NVU email account. If you need assistance, please contact Student Administrative Services at 802.635.1671 or StudentServices@NorthernVermont.edu.

TECHNOLOGY REQUIREMENTS: NVU Online courses require students to use the Canvas learning management system on a weekly basis throughout the term. In order to ensure that students can access their course content in Canvas without problems, students should comply with the technical requirements found at NorthernVermont.edu/techRequirements. Failure to meet these standards means that NVU technical

support may not be able to resolve technical issues a student is having.

TEXTBOOKS: Textbooks are available through the NVU Bookstore. Textbook details for specific courses are available at NorthernVermont.edu/Find-Book. Call 802.635.2503 to obtain prices and order books or order online at NorthernVermont.edu/Bookstore.

WAITLIST ENROLLMENT: The capacity of most online courses is 22 students, but up to four additional waitlisted students can be added to an online course. Waitlisted students will be added to courses in order based on their program code. Additional sections of a course will be created as appropriate to ensure that students have access to the courses they need. Please sign up for the waitlist only if you are certain you will take the course if added.

NVU EMAIL: NVU email is the official and primary means of communication with all students, accepted and/or enrolled. All university email communication with students, faculty, and other university personnel should use the NVU email

account. You are responsible for reading all information sent to your NVU email account.

IMPORTANT INFORMATION ABOUT ONLINE COURSES:

All students are registered in online courses using their NVU email address. If you need assistance logging into your NVU email account, contact the Help Desk at helpdesk.vsc.edu or 802.635.1415.

For many students an online course is a new experience. Although flexible, the workload is often greater than courses in the classroom. To get started in your online course, log onto the VSCS portal at portal.vsc.edu with your user name and password. Select the Canvas link then click on the name of your online course to access it.

QUANTITATIVE REASONING ASSESSMENT EXAM FOR NVU ONLINE STUDENTS | FALL 2020

All students, except those who have an associate’s degree, must take and pass the Quantitative Reasoning Assessment (QRA) or MAT 1080: Intro to Quantitative Reasoning. The QRA, MAT 1080, or an associate’s degree is a pre-requisite for taking a quantitatively enriched (QE) course. All students must take a QE course to meet the Graduation Standard in Quantitative Reasoning. To register for a first attempt of the exam, use the section GRS-2000-NO21. To register for a second attempt of the exam, use the section GRS-2000-NO22.

The QRA will appear on your portal page in your online course section. You can take the exam wherever you have access to the Internet and whenever you like between the first and last days of the semester. There is no cost to take this assessment. Two attempts are allowed.

CHALLENGE EXAM FOR ENG 1220 RHETORICAL EXPRESSION

(EDP-3999-NJ21K CHALLENGE EXAM – RHET. EXPR.)

To be eligible for graduation, all students of Northern Vermont University must demonstrate college-level skill in writing. To meet this purpose, all NVU Online students must pass a course, Rhetorical Expression (ENG 1220), or the Challenge Exam for the course (EDP-3999-NJ21K). Those who pass the course or the Challenge Exam satisfy the university’s general education requirement and graduation standard in writing.

A student may attempt the Challenge Exam only once. Students who are unsuccessful with the Challenge Exam must take and pass ENG 1220.

Also, students who want to take the Challenge Exam should do so early in their programs. A student may not take the Challenge Exam in her/his final semester. If the requirement is left to the final semester, a student must take ENG 1220.

To take the exam, students must register for EDP 3999-NJ21K Challenge Exam – Rhet. Expr. and pay a non-refundable fee of \$100.

INFORMATION-LITERACY GRADUATION STANDARD

In order to meet the information-literacy graduation standard, all students must complete the online tutorial (TILT) and earn a score of at least 80% on all quizzes. To take the tutorial, register for GRS-3000-NO21.

*Indicates registration for non-NVU Online students begins July 1.

Internships

Students in wellness and alternative medicine, psychology, criminal justice and business programs are required to complete internships. Faculty supervisors are dedicated for each area to assist students with the process. Once a student has connected with the faculty supervisor in their area and identified an internship, they must complete an internship contract to be approved by the Department Chair. The deadline for having a completed contract signed by the faculty supervisor and ready for department approval is July 31 for fall internships.
