

Associate of Science in STEM Studies at CCV
to a
Bachelor of Science in Wellness & Alternative Medicine at NVU
Available on the Johnson Campus and Online

This transfer pathway will help you plan courses at the Community College of Vermont (CCV) that will meet major specific requirements at Northern Vermont University (NVU). Transfer students from CCV who have obtained an Associate of Arts or an Associate of Science degree will have the NVU general education program requirements waived. Transfer courses from regionally accredited institutions will be accepted if grades are C- or better.

Associate of Science in STEM Studies at CCV	Bachelor of Science in Wellness & Alternative Medicine at NVU
General Education—First Semester Seminar INT 1050 Dimensions of Self & Society	Elective/NVU general education requirement waived for CCV graduate
