

ADHD Disability Verification Form
To be completed by School Personnel (School Psychologist/Special Educator)

Eligibility requirements for support services for students with Attention Deficit/Hyperactivity Disorder:

- 1) Student provides verification of diagnosis and severity,
- 2) Student is assessed as having a functional limitation in the educational setting.

To ensure the provisions of reasonable and appropriate services for students with Attention Deficit/Hyperactivity Disorder at Northern Vermont University, students needing such services are required to provide current and comprehensive documentation of their disability. This documentation should include information which describes their attention difficulties in an educational setting, explains the impact on academic achievement, and delineates the services provided by the school/school district to accommodate these difficulties. To facilitate the gathering of such critical information, we ask that you respond to the following questions.

Please provide information about: _____

Student's DoB: _____

- 1) Has this student been identified and/or served as a student with disabilities in your school/school district?

- 2) Name of psychiatrist/psychologist/diagnosing physician who made the ADHD diagnosis: _____

- 3) Date of diagnosis: _____

- 4) Procedures used to assess/diagnose ADHD: _____

- 5) Level of Severity: Mild _____ Moderate _____ Severe _____

- 6) Please provide a summary of the information in Student's records describing any difficulties Student has with attention, concentration, over-anxiety and organization and the dates these difficulties were first observed.

7) How has Student's ADHD interfered with his/her academic achievement?

8) What services including accommodations (exam modifications, academic adjustments, tutoring, auxiliary aids, etc.) has Student received for Student's attention difficulties in your school/school district?

- a) Accommodations:
- b) Tutoring (type, frequency):
- c) Other, please describe:

9) What, if any, medication has been prescribed to treat Student's ADHD? _____

10) What accommodations and services do you recommend for Student at the post-secondary level?

Please attach diagnostic/educational evaluation and scores as well as any other information that would be helpful for student's success.
