9-12 credits 3000-4000 level liberal studies courses
Additional Credits to reach 120 (may include general electives and general education courses as needed to meet degree requirements)
In order to graduate from Northern Vermont University with a Bachelor of Arts in Early Childhood Education, students must have a minimum of 120 credits (33 credits hours at the 3000 or 4000 level must be from Northern Vermont University). Students who graduate with an Associate Degree in Early Childhood Education from the Community College of Vermont may enter the Bachelor of Science in Early Childhood Education program. All college-level courses from CCV or other accredited institutions will be accepted by Northern Vermont University (non-credit courses and remedial/developmental courses will not be accepted) and applied where possible to the credits required to reach the 120 credits necessary to complete a bachelor's degree.
