FALL 2022

Registration Information for NVU Online Courses

Fall Registration Begins March 28, 2022.

TERMS and TUITION: NVU Online courses are listed in their own term. Courses in the fall 2022 semester are listed in Self-Service under the term “N21FAO – NVU Online Fall 2022.” NVU Online students who have opted to be “100% Online” and take online classes exclusively from NVU will receive the 25% discounted rate of \$355/credit. These students are limited to courses in the “NVU Online Fall 2022” term and ONLINE courses in the “NVU Fall 2022” term. Students who have opted for the “Hybrid Online” option have the flexibility to take NVU Online classes, traditional classes on the Johnson and Lyndon campuses, or traditional or online classes at other VSCS institutions. “Hybrid Online” students will be charged at the standard NVU in-state or out-of-state tuition rates determined by residency: \$483/credit for in-state and \$1,070/credit for out-of-state students. NVU Online sends out a registration reminder email that indicates whether you are “100% Online” or “Hybrid Online” but students can also contact the advising office at 802.635.1275 or NVUOnlineAdvising@NorthernVermont.edu to confirm.

PAYMENT: Details are available on the Vermont State Colleges System Portal login page at <https://portal.vsc.edu>. The “Finances” tile includes areas to locate and pay your bill, as well as financial aid information. A \$100 late fee will be applied if your bill is not paid by August 8.

FINANCIAL AID: Make sure your file is complete with Student Administrative Services by viewing your Financial Aid Document Status in the “Finances” tile in Self-Service. All correspondence will be sent to your NVU email account. If you need assistance, please contact Student Administrative Services at 802-635-1671 or email FinancialAid@northernvermont.edu.

TECHNOLOGY REQUIREMENTS: NVU Online courses require students to use the Canvas learning management system on a weekly basis throughout the term. In order to ensure that students can access their course content in Canvas without problems, students should comply with NVU Online’s minimum technical requirements. Failure to meet these standards means that NVU technical support may not be able to resolve technical issues a student is having.

TEXTBOOKS: Textbooks are available through the NVU Bookstore’s eCampus website. Textbook details for specific courses are available at: <https://northernvermont.ecampus.com>.

WAITLIST ENROLLMENT: The capacity of most online courses is 22 students, but up to four additional waitlisted students can be added to an online course. Waitlisted students will be added to courses in order based on their program code. Additional sections of a course will be created as appropriate to ensure that students have access

to the courses they need. Please sign up for the waitlist only if you are certain you will take the course if added.

NVU EMAIL: NVU email is the official and primary means of communication with all students, accepted and/or enrolled. All University email communication with students, faculty, and other University personnel should use the NVU email account. You are responsible for reading all information sent to your NVU email account.

IMPORTANT INFORMATION ABOUT ONLINE COURSES:

All students register for online courses using their NVU email address. If you need assistance with your NVU email account, contact the Help Desk at <http://helpdesk.vsc.edu> or 802-635-1415.

For many students an online course is a new experience. Although flexible, the workload is often greater than courses in the classroom. To get started in your online course, log onto the VSCS portal at <https://portal.vsc.edu> with your user name and password. Select the Canvas link then click on the name of your online course to access it.

QUANTITATIVE REASONING ASSESSMENT EXAM FOR NVU ONLINE STUDENTS | FALL 2022

All students, except those who have an Associate degree, must take and pass the Quantitative Reasoning Assessment (QRA) or MAT 1080: Intro to Quantitative Reasoning. The QRA, MAT 1080, or an Associate degree is a pre-requisite for taking a quantitatively enriched (QE) course. All students must take a QE course to meet the Graduation Standard in Quantitative Reasoning.

To register for a first attempt of the exam, use the section GRS-2000-NO21. To register for a second attempt of the exam, use the section GRS-2000-NO22.

The QRA will appear on your portal page in your online course section. You can take the exam wherever you have access to the Internet and whenever you like between the first and last days of the semester. There is no cost to take this assessment. Two attempts are allowed.

INFORMATION-LITERACY GRADUATION STANDARD

In order to meet the information-literacy graduation standard, all students must complete the online tutorial (TILT) and earn a score of at least 80% on all quizzes. To take the tutorial, register for GRS-3000-NO21.

**Indicates registration for non-NVU Online students begins December 15*
